13.30-15.00	Session #3: Wisdom Workshop	Chair: Adama Sarr
	<i>In this session young surveyors will have presentations from, and networking with, partners on expectations of a Volunteer Community Surveyor (VCS), Sharing stories from return volunteers and experienced humanitarian surveyors, as well as the importance of working within a community and understanding their culture.</i>	
15.00-15.30	<b>Tea Break</b>	
15.30-17.00	Session #4: Tell Us About It!!!	
	<i>With several Young Surveyors' bodies in Africa set up within the past year, and the existing ones going stronger, in this session young surveyors across the continent will tell their stories, to inspire each other to get more involved in the network Its Your Chance to be on Stage!!!</i>	
<b>DAY TWO - 26 November, 2019</b>		
<b>Time</b>	<b>Item</b>	<b>Speakers/Chair/Rapporteur</b>
08.30-10.30	Session #5: SDGs and Land Indicators	Chair: Willy Franck Sob Rapporteur: Derrick Demeveng
	<i>Every societal problem has a land footprint. In this session, taking a cue from the FIG Special Taskforce on the SDGs and Land Indicators, there will be presentations on the relationship between Africa's problems and land. The session will end with a group activity for young surveyors to develop land indicators for the SDGs, with a specific focus on Africa.</i>	
10.30-11.00	<b>Tea Break</b>	
11.00-12.00	Session #6: Towards Our Future	Chair: Kingsley Yaw Sam
	<i>The FIG YSN has gone through a few changes since the last YSAM, globally, and regionally. In this session, we will look at how the FIG YSN is organised, discuss the current workplan, and gather ideas from the meeting's presentations to brainstorm on how to further build our network, at the global, regional, and national levels.</i>	
	FIG Young Surveyors Network (YSN)	
	FIG Young Surveyors African Network and FIG African Regional Network	
	Federation of Francophone Surveyors' (FGF) Young Surveyors
